It's just 15 minutes by horse-drawn carriage from Hatchers to the heart of Richmond – our faithful draught horses are ready to leave every half-hour or so. It's a great way to see the countryside – you'll cross the nation's oldest bridge, see historic St John's Church then enjoy a stroll through the village.

Hatchers is set on a working farm and orchard – join a farm tour to explore the property. See our historic farm buildings, learn about our Texel sheep stud, feed the farm animals and visit the extensive apricot orchard. Have you forgotten the taste of real apricots? We'll remind you – pick fresh fruit in season and sample our delicious fruit preserves and ice creams.

Eat, drink and be merry

Our new cafe with outdoor seating overlooks the manor, gardens and orchard. Enjoy great bistro-style food or morning and afternoon teas during the day – a romantic restaurant in the evening.
